

WS 10-52-10

Introduction

Nutrasol (10-52-10) is derived from finest horticultural grade raw materials according to North America's highest quality standards. Due to purity and quality of the product Nutrasol (10-52-10) maximizes the farmers saving in terms of money and nutrients efficiency. Nutrasol (10-52-10) is a premium starter formulation that ensures high Phosphorus content beside balanced proportion of Nitrogen, Potassium and micronutrients.

It is suitable for ground application for all field and green house crops at seedling and initial growing stage in various growing medium. Phosphate stimulates and promotes root growth & development while Nitrogen and Potassium content keep shoot and foliage in desired level of development. Nutrasol (10-52-10) instantly dissolves and have no compatibility issue with other fertilizers and pesticides*.

Benefits

- 100% water soluble free flowing product.
- Derived from ultimate grade of horticultural / chelated chemicals.
- Ensures availability of the entire range of macro, secondary and micro nutrients.
- Free of sulphates and chlorides with low salt index,
- Compatible with almost all pesticides and fertilizers.
- Maximizes crop production with high quality of produce.
- Formulation that is quickly absorbed through foliar and rapidly alleviates any nutritional stress in plants.

Guaranteed Minimum Analysis

Total Nitrogen(N)	10.0%
Available Phosphoric Acid(P₂O₅)	52.0%
Soluble Potash(K₂O)	10.0%
Magnesium(Mg)	0.2%
Iron(Fe)	0.01%
Copper(Cu)	0.05%
Manganese(Mn)	0.05%
Zinc(Zn)	0.05%
Boron(B)	0.03%
Molybdenum(Mo)	0.0005%

Product Characteristics

Appearance: Powder
Solubility: Soluble in water

Ingredients

Ammonium Sulphate, Mono Potassium Phosphate, Potassium Nitrate, Potassium Sulphate, Urea, Iron, Copper, Manganese & Zinc EDTA, Borax and Sodium Molybdate.

Direction of Use

For accurate application rate use soil/tissue analysis report and crop needs and projected yield. Consult your local sales representative for crop specific usage.

Packaging Sizes

20 kg, 1000 kg
Additional sizes are available on request.

Storage & Cautions

- Store Product in a cool and dry place in original container.
- Test compatibility with other products prior to use.
- Avoid contact with skin & eyes and inhalation of spray / dust.
- Recycle container in accordance with federal and provincial regulations.
- Keep product out of reach of children.

Conditions of sales and limitations of Warranty & Liability:

There are no implied warranties of merchant ability or fitness with respect to the product, nor are there any expressed warranties other than as many be contained in any guaranteed analysis that may accompany the product. Seller shall not be liable for any special indirect, incidental or consequential damage or expense of any nature, including but not limited to lost products, property damage or Seller's liability is limited to refund of purchase price as per return policy of company.

*Use two separate tanks in case of Calcium products.
